You may request cancellation before the order is dispatched. Cancellation may not be possible after the parcel has been handed to the delivery partner.

2. How to Cancel

Contact customer support as soon as possible with your order number and a request to cancel.

3. Cancellation Confirmation

A cancellation is complete only after you receive confirmation from customer support or see the updated order status.

4. Refund for Cancelled Orders

If payment was already collected and the cancellation is approved, the refund will be handled under the Refund Policy.

5. Orders Already Dispatched

If an order has already been dispatched, you may need to follow the Return and Replacement Policy after delivery.

6. Contact

For cancellation requests, contact support@flatkart.example. This is a fictional contact for sample testing.
