Important: This is a fictional, simplified sample document. It is not legal advice and should be reviewed before any real business use.

1. Order Processing

Orders are usually prepared for dispatch within 1–3 business days after payment confirmation. Processing may take longer during busy periods.

2. Delivery Estimates

Delivery estimates depend on the destination, product availability, and delivery partner. The estimated date shown at checkout is a guide and is not a guarantee.

3. Tracking

When tracking is available, we will share the tracking details by email or through the order page.

4. Incorrect Address

Customers should check their delivery address before placing an order. An incorrect or incomplete address may cause delays or failed delivery.

5. Delayed or Missing Orders

If an order is delayed or tracking has not updated for several days, contact support with your order number so the team can check with the delivery partner.

6. Contact

For delivery questions, contact support@flatkart.example. This is a fictional address used in this sample document.
